## 5. REFERENCES OF HEREAFTER FROM HADITHS:

The Prophet Muhammad (SAW) has give a lot of references to his Ummah about the day of Akherat.

The Prophet (SAW) said:

"You will have to die like you sleep and you will have to get as you awake."

The resurrection of humans is easy for <sup>God</sup> ~~humans~~ like He has create humans on the earth.

## 6. FINAL ABODE OF HUMANS IN HEREAFTER:

Those who in God's estimation achieve success in accomplishing their moral mission by earnestly striving to the ways laid down by God will

be assigned paradise:

واما الذين سعدوا ففي الجنة -

"And as those who are made happy, they shall be in the garden"

(Al Hud 11: 108)

In contrawise manner, those whose act and attitudes violate the purpose of their creation shall be consigned to Hell. The Quran describes it as 'Jahanam', 'Jahem' and 'Mutanna' which means 'furious fire' and 'vehement fire' respectively.

## 7. IMPACTS OF THE DOCTRINE OF HEREAFTER ON INDIVIDUALS

### I. Responsible and meaningful Approach Towards Life:

The life lead under the paramount consciousness of hereafter makes man responsible in his actions and thinking. success, happiness, advantage, disadvantage, profit, loss and other

parameters of life assume unique meaning because of belief in a world-view oriented to hereafter.

"افصنم انما خلقناكم والينا لا ترجعون"

"Have we created you without any purpose and will you not return to us"

Al-Quran

## II. Pursuit of selfless and Humble life

Those who have firm belief in the hereafter are not imprisoned in the shells of selfishness. This view liberate a man from narrow self's concerns

"كل نفس ذائقة الموت"

"Every living thing has to test the death"

(Al-Imran)

## III. Sense of Accountability and Promotion of Justice:

A society that believe in hereafter and the day of judgement ~~that~~ knows that it will cease to exist one day. This sense create social control in the society over evils and wrong doings.

I Rule of Law and supremacy of

Piety:

color, caste, creed and language do not matter. What does matter is the actions and thinking on the basis of which Allah Almighty will decide the future destiny of humans. This idea leads to rule of law and equality in the society.

9. CONCLUSION:

The belief in hereafter is one of the important pillars of Islamic edifice. man would be held accountable for what he has done on this world. This sense of the day of judgement has a profound impact on the individual and the society.

## ANSWER #04

### 1. INTRODUCTION:

Islam is a complete code of life. It gives a comprehensive scheme under which the social system can work effectively and efficiently. The social principles of Islam are largely based on universal human brotherhood aiming to secure the well-being of the individual and the society as a whole. It calls for mutual solidarity and responsibility. In such a scheme of social order the interests of both the individuals and the society are complementary. If the genuine

rules and principles are applied to the modern societies, it could prove as panacea to all the problems of humans.

## 2. MAJOR PRINCIPLES OF THE ISLAMIC SOCIAL ORDER:

### 1. Collaboration of the state, individual and society:

In Islamic society, there must be harmony between individual and society. The former trying his best to enrich the latter while the later provides security and care to the former. There is neither the domination of the state over individuals. The overall purpose of both is to erect an order based on Deen.

وقاتلوهم حتى لا يتكلموا فتنة ويكون  
الدين لله.

"And fight till there is no corruption and the Deen is for Allah"

II. Mutual cooperation and Brotherhood of mankind:

The Islamic society enjoins upon the members to cooperate in piety and goodness and to refrain from evils.

وَتَقَوُّوا عَلَى الْبِرِّ وَتَقَارِفُوا  
عَلَى الْأَنْثَى وَالْحُرِّ وَالْأَعْرَابِ

"cooperate with all in what is good and pious but do not cooperate in what is sinful and wicked"

(Al-Midah 5:2)

III. Value Based Social Order of Islam  
Islamic society set value pattern for the individual and society. At the top of this hierarchy comes worship and obedience of Allah Almighty. All other values of good and evils spring from it.

IV. Training and Educative Role of the Islamic society:

The society laid on the basis of Islam helps to organize humans

relationships on the basis of cooperation, justice, mercy, love and goodness for the benefit of the people.

### 3. SALENT FEATURES OF SOCIAL SYSTEM OF ISLAM:

I. Equality of mankind — a dominant feature of Islamic society:

People living in Islamic society enjoy equality in every realm of life. Racial discrimination, linguistic differences and human created differences such as nationalism have no place in the Islamic society.

"The believers are but single brotherhood"

(Al-Hujrat 49:10)

II. Structure of social life based on

Goodness and Brotherhood:

The social structure of Islamic society is being built on very high rational and comprehensive principles. The edifice of social life is based on

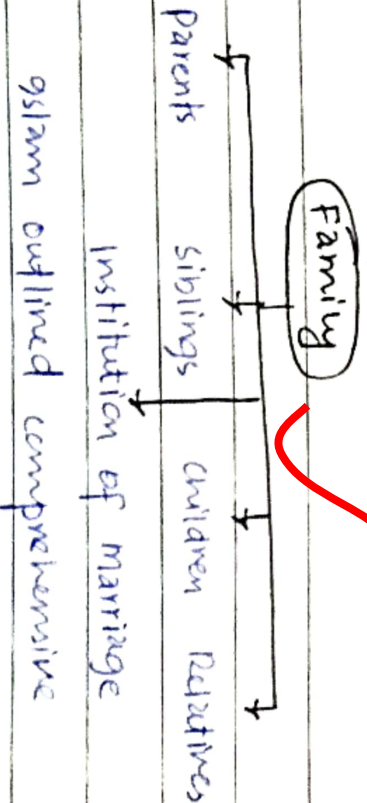

very deep and sincere feelings of love, goodness and brotherhood.

"Non of you is a firm believer in Islam until he and unless he love for his fellow what he loves for himself."

(-Hadith.)

### III. Due place to the institution of Family in Islamic society

Family is the first and real unit of humanity and the real cohesive force which makes civilization possible. Family play a pivotal role in the socialization of the society.

1/0 masjid as a community center

All activities private or public are assumed to be organized within the framework of moral principles and values revealed in Quran and manifested in the life prophethood. For this purpose, masjid is one of basic Islamic institution to play a major role in the promotion of the truth, knowledge and goodness in the society.

#### V. Elimination of undue discrimination

Islam does not allow any discrimination on the basis of race, caste, creed or color. According to the Prophet (SAW)

لا فضل لعربي على عجمي ولا لعجمي  
على عربي ولا لاسوي إلا الأحمر  
بالتقوى -

"An Arabic has no preference over non-Arab, nor a non-Arab over Arab, nor a <sup>white</sup> ~~black~~ over black but on the basis of piety!"

#### VI. Economic Justice in Islamic Society

6/5 16

in Islamic society, the ownership of the resources are controlled in Allah's Natural resources to be exploited by men ~~at~~ <sup>the</sup> principles as ordained by Allah Almighty. These are for the benefit of all humanity and not for a section of the society. "Whoever has a spark of life, he should have the right to acquire his sustenance"

— HAKRAT ALI R.A

## ROADMAP TO ADDRESS THE CHALLENGES BY THE CONTEMPORARY SOCIAL ORDER

1. Abolishing discrimination on various grounds:

Contemporary societies have been plagued by unnecessary discrimination. Human made differences in either form must be abolished for an efficient and effective social order.

"The idea that some people are

lesser humans is the cause of  
major problems of the world"

- Herodotus

II. To Put a Bar on the Uncontrollable  
Materialism:

The unremitting quest for

material benefits has led to many

problems in the societies. In order to

get rid of this menace the golden

principles of Islam must be followed.

" within the western world Islam

still maintains a balance between

the exaggerated appetites (communism  
and capitalism)

- HAR Gibbs

III. The maintenance of good morals:

The western societies have been

plagued by various immoral tendencies  
of homosexuality and bisexuality.

These tendencies are a great challenge to  
the modern societies. The religious leaders

needs to inform the consequences of these

By presenting the case study of nation of least (A.S) to the people.

cut 18

iv. Respect of collective and individual rights:

Rights of individuals and groups must be preserve for a good society order. The last sermon of muhammad (SAW) as enshrined by the Human Rights Declaration can a long way in this regards.

v. The members to cooperate in goodness and to refrain from cooperation in evil

The members of society need to extend hand of cooperation in goodness and to discourage evils.

وتعاونوا على البر والتقوى ولا تعاونوا على  
الائساف والفروان -

" And cooperate in goodness and piety and do not cooperate in evils and wickedness "

(Al-Midah 5:32)

5. conclusion:

Islam, thus, perceive society as an association, which is found in accordance with the divine laws or divine principles. These divine principles are clearly manifested from the prominent features of Islamic societies. These principles can prove pencea to the problems of modern social order.
