-	theft. Can we make any distinction between rature of cume.
	Investigation Into The Cause Of Crime: Under this aspect of commology we study the reasons of criminal behaviour. The different upos of crimes have different causes. Free there relations, inverse or direct, between various coimes. These questions are investigated under this head.
(2)	Individualize Study of Criminals: How and the does one turn into a criminal? What particular event or series of events happen which turn man towards criminality? In order to lonow all these facts we have to study in delail the personal lives of the arminals. Also are have to study the life of a person in totality for understanding the nature of crime and criminal.
d)	Study of Brevention of Crime & Reform of the Criminal: obviously Most of the crimes is inimical to the interest of the society. They not only distants social equilibrium but make life hell for the course as his relative. Even more, or minal as well as his relative. Even more, due to crime, the normal law abpliese citizens lives. In therefore, it is more essential to clarise ways.

Combing illicit trade posing significant challenges for law enforcement agencies worldwide. In Palaistain it poses unique challenges for Liaw enforcement agencies due to a Hariety of factors, including the country's geopolitical location economic conditions and the presence of diverse criminal networks.

CHALLENGES FACED BY LAW ENFORCEMENT AGENCIES:

1) GEOPOLITICAL LOCATION:

Pokislan's strategic location makes it a transit point for various illicit activities, including abuy trafficking smuggling and the illegal movement of goods. The courthy shares budgers with Afghanislan a major producer of opium contoibuling to challenges related to abuy traffickis

ii) POROSITY OF BORDERS:

The dong and porous burders, especially with pffhamis pose significant challenger for border central. Simula ling soules are well established, and the difficult terraculum certain areas males it challenging for law enforcement agencies to monitor and secure the burders effectively.

3	. Terrorism and Insurgency:
