Role of reforms in Pakiston
et power lector
Promotion of direct toreation:
The centeral
power should promote direct toxeation
Are these reforms required in power sector? Solution for a conomic problem is that
the government should promote the
direct toxiation and support the
labour clous (Christina Georgea).
Legislative retorns:
The government
should bring some legeslative reforms
orty which will helpful in the exadication
Promotion of Jobs:
The government
should provide the teg sources of
jobs for the deserved people.
Promotion of menits:
The government
should promote the ments of youngestors

of education Should promote education and pro learning which for the elimination of government should take styring legislation and actions against The government shoul take drastic actions against child Vabour- As verrious cases are emerged the society. The guthorities. should practically implement the Arti 25 (A) Who and 25 (3) which provides the right of education and the protection of children's lives
