Title: Significance of continuous struggle

The author is discussing the proactive and dynamic vision of Sheikh Rashid. The dynamic shift in the societal development of a country needs consistency and serious struggles. The growth of cycle does not remain smooth with the generational growth. Individuals need to be ready to tackle the decline stage and maintain the growing stage of the cycle. It is possible, when the leaders focus on long-term goals by shaping a sustainable growth of the future. He needs to equip his citizens with education to boost human capital and infrastructure, while adopting the change according to the need of

the era. As a whole, a resilient
and advanced society can only
sustain the growth of a nation.
