Make a precis of the following passage and suggest a suitable title.

Precis Title:

Balance of <sup>enjoying</sup> Luxuries and facing future challenges.

OR

Balance in every aspect for prosperity of nation.

Precis:

In an interview with Sheikh Rashid, the visionary founder of modern Dubai, he shared his profound insight of ~~business~~ and fall of societies and his ~~country's~~ future. He used a powerful metaphor as, My <sup>grand</sup> father

rode on a camel, my father rode on a camel, I drove a Mercedes, my son drove a Land Rover, my grandson drove a Land Rover but my great-grandson will have to ride a camel again.

Hard time creates strong men. Strong men create easy time and easy time create hard time. This simple statement

captures deep understanding of how history and future generation change.

He used term Warriors to build it

means those individual who are strong, determined and self-made not just

physically strong on the other hand

he used term parasites those who are

not self-made, resilience and are

dependent on others achievement cannot

handle the difficult situation in life.

Sufi Sheikh Rashid's wisdom reminds

that prosperity isn't permanent, it needs

ongoing <sup>of roots</sup> strong capable people. By

recognizing and accepting cycles of history,

societies can better prepare for future,

ensuring that any tough times are faced

with strength and resilience instead

of weakness and decline.
