

(Part - II)

Q. No. 2

Sheik Rasid's Vision of The Dubai

The writer ascribes an interview with the founder of Dubai. The founding father expressed the need to raise responsible generation. A generation that can handle challenges rather than waiting or looking at others for assistance. Moreover, the visionary father of the Dubai has described a journey of the country. According to the founder, Dubai has come from desert to most advanced region. The founder warned that future is unpredictable, there will be no surety of sustaining prosperity. The founding father emphasized on such strong, hard working and national individuals to protect and sustain the existence of the country. Therefore, he emphasized on the importance of education to achieve the goal of countering challenges and sustaining prosperity in the country.

Q: No: 7

You may have travelled to Dubai, Qatar and Kuwait through transit flights. So, you might have experienced that passengers going to Japan who wait for their flights at gates where the environment always peaceful. They all almost seem similar physically, culturally and individually. When you pass the Germany gate there also the same aspect exists. Also, visiting Malaysia, China, Spain, Australia, and New-Zeland gates, you will experience national unity of each nation. When, you go towards Pakistani gate, you will experience difference, and larger number of people seem depressed. Also, children can be seen crying, individuals wearing Shalwar kameez, wedding hinas on hands, old mother-in-laws so on and so forth be seen.
