—(Question No: 07)—

If you ever have an international travel and have taken a transit flight from Dubai, Qatar, Kuwait etc then you must have observed that the atmosphere of the gate where passengers to Japan are waiting for the flight is relaxed and they all look alike in ticks, dresses, discipline and appearances. The situation will be the same when you pass in front of the German Gate, Malaysia, China, Spain, Australia, New Zealand, visit all the gates, more or less the condition will be the same, you will see a national uniformity. While walking, when you reach the Pakistani gate, instead of one nation, variety is seen here, the majority with dull faces, the sounds of crying children, some dressed in half pant shirt and jeans, some in shalwar kameez, somewhere, the newly wedded bride took henna hands and reluctant to Union, and somewhere the elderly mother-in-laws with joint pain. Sitting in a corner, a youth on foreign labor, with on his shoulder and ~~foreign~~ foreign toffees for children in hands, and the business class bureaucrat in safari suit somewhere.
