Conclusion:

To conclude: the Israeli-Palestinian Conflict:

David vs Goliath, needs settlement.

Seek international recognition and support

for a negotiated settlement, emphasizing

the importance of adherence to international law and UN resolutions.

Engage in public diplomacy efforts to

shape public opinion and generate support

for peace initiatives. Media, Civil

Society organizations, and influential

individuals can play a role in creating

a positive atmosphere for peace. Implementing

these measures requires a sustained

commitment from all stakeholders,

flexibility in negotiations, and

a genuine desire for a just and lasting

resolution. The road to peace is

challenging, but with concerted efforts and

international support, progress can be

made towards a more stable and

harmonious future for Israelis

This is not a conclusion. Conclusion has a certain structure and fulfils certain requirements. It recaps the whole discussion and it has no new information
