- e. Inclusion of women in law enforcement agencies

- 3 points

Contradicts point 3b

- f. Quota system to bring women to the fore

Your previous arguments say otherwise/  
Solutions should only be 3-4 if not directly asked in the topic

#### 6. Conclusion

Date: \_\_\_\_\_

In February 2021, a case of alleged Blasphemy appeared in Punjab. It fanned the air of hatred and extremism to the extent that the law and order situation was rapidly deteriorating in the area. However, thanks to the timely intervention by a woman police officer, who by dint of her professionalism averted the threat to peace and stability of the area.

Women in Pakistan play a commendable role from the confines of their homes to the national levels. They play an important role in raising the dignified nation. Women play a crucial role in law making, law execution and law interpretation. Moreover, in recent times women have been elevated to the influential positions and are rendering exemplary services in their respective domains. They also play an important role in maintaining law and order situations. Further social services of women cannot be overlooked. However, there are few hurdles in the way of women's prosperity that render them helpless. These include; male dominated society, shackling of women in age-old traditions, lack of education and poor health of women. Nevertheless, the redemptive measures would reduce the lacunae

Too much focus on the story's context and not on the context that can make it relevant to the topic

No connection of story to the topic and no cohesion between sentences

The topic is not about women in Pakistan, the topic is about women in general.

What has been their impact?

The topic is not about women prosperity either.

Date: \_\_\_\_\_

The intro does not address the whole outline properly.

Prevalent in the society and set the women on the path to prosperity so they can play their assigned roles without any intimidation of being shut by their male counterparts.

Thesis statement?

This is not a proper paragraph  
Crunch paragraph should at least be 120 words approximately

Women in Pakistan play versatile roles. From raising the rearing and bearing of the children, maintaining household chores to the maintenance of national security and stability. As per the census of 2023, women constitute one half the population of Pakistan. Hence, their presence and services cannot be overlooked.

This also does not relate to the heading in the outline

Moving towards the impacts of women in the national security and stability. First impact that women exert is their role of legislation. The Elections of 2024, witnessed historical number of women legislators in provincial and national assemblies. They increased participation enhanced their role in policy-making regarding national security of the country. Moreover, the Executive branch of federation and federating units include a number of female ministers who render

lacks lexical coherence. An impact can be exerted through a role, it cannot be a role

How? Elaborate? Give reason and proof.

What invaluable service? How does it impact the national security and stability?

No your first point is raising generation of dignity, not this. Also this is role not impact on national security and stability

Date: \_\_\_\_\_

No impact mentioned and discussed in the paragraph. All of the discussion is generic and had no academic analysis associated with it. The claims made are not verified through research.

in the implementation of the law. Further, <sup>female</sup> the judges in supreme and high courts do not lag behind in interpreting the law to dispense the justice. On the whole, female inclusion in the legislative process have increased manifold the importance of women.

Keep the sequence of the outline

very vague expression

said by who? reference it.

Moving ahead, women play an important role in the raising of a dignified generation. It is said that the lap of women is the first institution of education. Besides, when the first unit of social system - the family is raised on the sound basis will create a peaceful nation. So, the stability of the country is contingent upon the soundness of the first unit of society that family which hinges upon the oversight and ability of women.

How so? Analyse? also how does that impact national security and stability

No analysis no explanation No impact discussed

Do not start the paragraph with a situation. Start with an argument.

In addition to this, the election of 2024, the elevation of first female chief minister of the largest province of Pakistan, who proved herself an epitome of excellence in the administration.

Irrelevant to the topic

Unsubstantiated claim

What is the impact?

judging in view her 100 days performance, one would sense that she has superseded her counterparts in other provinces in maintaining security and stability of the country.

Date: \_\_\_\_\_

→ Don't start the paragraph with an evidence

No structure  
No consistent length.

According to the Counter Terrorism Department's report 2021, Punjab has seen a steep decline in terrorism related activities in the province. This speaks volume for the role of women in the national security and stability.

When was the report published? There is no paragraph in the outline regarding terrorism.

Besides this, women do not lag behind in proving their worth in administration. The floods of 2022 are testament to the biblical abilities of women in coping with unprecedented times. A video of a female administrator surfaced and got viral on social media in which she was seen going from house-to-house to shift people in safe areas. Thanks to her timely administrative acumen, the chaos in the wake of unprecedented flood was averted.

What does that prove?  
what is your argument here?

No relation to the topic established, no argumentation and no analysis.

Further, women play a praiseworthy role in the health and education sectors. The care giving of women help them in raising and making the national populace healthy and well-acquainted of the global and national on-goings.

Unstructured  
Irrelevant  
No analysis  
no argumentation

Introduce the argument into the topic sentence

Moreover, the inclusion of women in police service and subsequent herculean role played by them cannot be overemphasized. The incident of 2017 of the attack on Khashi Stock Exchange market speaks volume of the ability of women in maintaining the national security and stability of the country. The attack was spoiled owing to the prompt operation led by SSP Suhail Aziz, that frustrated the filthy motives of the terrorists. So, from the above facts, it is ascertained that women are the guardians of national security and the flag bearers of the stability of the country.

terrorism aspect has already been discussed  
No analysis  
this is just topic sentence  
example concluding sentence

However, despite the laudable roles played by the women, they are still confronted with the patriarchal society, which cause hindrances in their strides. According to WFT, about 60 percent of the women are married before the age of 10 years. And about 150 percent of health issues are linked to early marriages and early and frequent pregnancies. Further, the male-dominated society bars women from pursuing their career and receive higher education.

argue first and then give example

Age of consent is 16 so not illegal. Also how does that relate to patriarchy?

Incoherent  
what the paragraph is about  
Again no analysis  
no argumentation

Date: \_\_\_\_\_

Such a state of affairs render them at the goodwill of their male to exert a influence in the society.

this is not a paragraph

Moreover, there is widely held perception that women are treated for the service of men. This perception of age of ignorance proves detrimental for the women who seek to play a role in the national affairs of the state.

Further, the deprivation of women from education and seeking health facilities violate the constitutional right to basic amenities.

The poor health and lack of education to seek their constitutional rights pushes them to the breeding chain of poverty and they are unable to raised their heads from the deep-rooted poverty to seek the rights and redressal of their plight from the working courts of Pakistan.

No relation to the topic established, no argumentation and no analysis.  
No validation

Nevertheless, as every disease has a medicine to be cured, similarly the the hurdles in the way of women to come to the fore to maintain the national security and

sentence structure and expression

Date: \_\_\_\_\_

Stability can be attained by a  
revolt against the male-dominated  
society. Moreover, mass education  
must be provided to the women  
to acquaint them of their legal, religious  
and social rights. In this regard,  
the services of print, electronic  
and social media can be sought.  
Besides, the campaigns and  
seminars regarding the diversified  
 plight of women can aid improve  
her role. concluding sentence

No example

tone

Moreover, the government  
must increase its budgetary allocation  
for the women development funds.  
The gender-sensitive policies  
must be well formulated in this  
regard. Quota system must be  
introduced in all sectors of the  
government to enhance the  
participation of women at national  
level.

Incoherent  
too many points

Last but not the least,  
there is dire need to include more  
and more women in the law  
enforcement agencies. Because when  
they are in such agencies, they  
understand the complexities of the  
organization. It will aid them  
in protecting themselves and the
