"The Cyclical Pattern of Societies Evolution."

The trajectory of a society follows a cycle that is influenced by the characteristics of a man. Difficult times help to create a strong characteristics of a man which lead to easy times. In contrast to this, comfort develops a feeble man who is inequipped to confront challenges and complexities of a situation. The relationship between the progressive and regressive/restraining factors decide the particular stage of a society in a cycle. The founder of Dubai, Sheikh Rashid expounded on this cyclical pattern while explaining the possible regression of Dubai from luxurious vehicles to camels. Therefore, calls for the development
