Q5

Ans: The story has a very strong impact socially, morally and culturally as well. It is the best explanation of not losing hope and keep struggling till the result. Even if when one feels that the hopes are shattered, still do not lose the final hope as seen in the story of Suleyman and Ayla who finally met after sixty year. The other aspect that make it more vivid that not to kill the children even in the war that is beyond the morals of a true warrior. As Suleyman saved a small girl, and treated her like his own baby along with other Turkish soldier, is a perfect example of how to behave with the children of you enemy.
