How is that different from discrimination

Date: _____

Day: _____

in ~~defense roles~~

◦ Efforts towards gender ^{How is this a barrier}
equality in ~~national~~ security

7) Conclusion:

Very limited scope. There are 5 dimensions of security, you've only discussed one. The element of national stability and their role at homefronts that ensures the national security and stability?

Indent at the beginning of paragraph

Day:

National security and stability are crucial elements for the prosperity and well-being of any nation.

Attention grabber?

Historically, these domains have been pre-dominantly male centric, but women's roles have evolved significantly overtime.

This is not a proper and structured introduction

From supporting the homefront during wars to serving on the frontlines, women's contributions to national security have been profound and transformative.

Summary of outline

It explores the multifaceted impact of women on national security and stability, highlighting their historical roles, modern contributions, and the challenges they face.

An intro should at least be 200-250 words

Thesis statement?

Women have played vital roles in national security throughout history, particularly during war time.

Do not start the paragraph with a situation start with an argument that you are going to make.

In World War I and II, women

Date: _____

Day: _____

took on essential roles, such as nurses, factory workers, and administrative staff, which were crucial for the war effort.

Additionally, women served as spies and intelligence operatives, providing critical information that shaped military strategies. Notable

figures like Mata Hasi and the women of Special Operations

Executive (SOE) exemplify the significant impact of female operatives in espionage and intelligence.

The modern era has been a significantly increase in women's participation in the armed forces.

Women now serve in various capacities, including combat roles and leadership positions. Their involvement has enhanced military effectiveness and cohesion, as diverse perspectives and skills

No structure and argument in the paragraph. This is women did this and they did this and they did this. No analysis, no impact discussed.

Very incoherent as all the subpoints are merged in one paragraph

Sentence structure

contribute to more comprehensive
strategic planning and execution.

Women in leadership position

Such as Nigar Johar is the first and only woman in the history of Pakistan Army to reach the rank of

Lieutenant - General, and the third to reach the rank of major - general, in the

Pakistan Army, have demonstrated exceptional capability and dedication.

What had been the impact on national security and stability

Their contributions have challenged traditional gender norms and

highlighted the importance of

That's irrelevant to the topic

inclusivity in defense forces.

Unclear whether this is the same paragraph or a new one

In the domain of intelligence and cybersecurity, women made significant strides. They hold key positions in intelligence

agencies, contributing to national security through their expertise in analysis, counter terrorism

What role?? What does that role have to do with them being women? How had it impacted national security and stability

Date:

Day:

What role? What impact any specific example of her doing or contributing something

cyber operations. Leading figure in cyber-security, such as Parisa Tabriz, the "Security Princess of Google", have played pivotal roles in protecting national and global digital infrastructure.

Reference??

Women's involvement in diplomacy and international relations has also been instrumental in promoting national security and stability. As diplomats, ambassadors, and peace keepers, women have contributed to conflict resolution, peace building, and fostering international cooperation.

No consistency in paragraph length all paragraphs should approximately be 120-150 words.

No argument in the paragraph
No research

Despite their significant contributions, women in national security face numerous challenges and barriers. Gender discrimination and bias remain prevalent, often hindering career career

Date: _____

Day: _____

advancement and equal opportunities.

Balancing family responsibilities
with demanding defense roles is
a major challenge many

women encounter. However,

efforts towards gender equality,

such as policy reforms and

mentorship programs, are

gradually addressing these

issues and promoting a

more inclusive environment

in national security sectors.

Start conclusion with a concluding Phrase

Women have made remarkable

contributions to national

security and stability, from

historical wartime roles to

modern military, intelligence

and diplomatic positions. Their

involvement has not only

enhanced operational effectiveness

but also brought diverse

perspectives essential for security

strategies.

Unstructured and
incoherent

No argument, no
analysis and no
research

Unstructured
Does not
properly recap
the essay
Should be
longer than the
body
paragraphs
