Titles: "Resilience Over Comfort: Dubai's Future"
"Evolution of Dubai"

In an interview asked Sheikh Rashid the founder of modern Dubai about the success of Dubai. He replied that his father was a camel rider and he drives luxury cars and his great grandson will ride a camel also. He told hard times create strong men and strong men create easy times which create weak people and weak people again make tough times. He further told that they need warriors. During his leadership Dubai turn from desert to a modern city, but he predicted that they will return to camels as easy times create weak men and strong men

Repeated ideas

creates tough times. From warriors he means to grow a strong and powerful generation for future who are strong enough to face every situation not like those who rely on other people achievements without any hard work. Sheikh Rashid's vision shows the importance of education and hard work through which societies can survive. With the increasing growth of Dubai

Title needs improvement.

Idea and grammar are generally ok. main idea is picked and discussed over all content is ok

they need to maintain a balance between innovation and luxuries. investing in infrastructure they also need to invest in humans for long lasting success of Dubai. Sheikh Rashid's wisdom serves that countries can get prosperity through hardwork and talented individuals. From this history societies should learn that they can handle hard time which prepares them for future

Sheikh Rashid's insights remind individuals that maintaining prosperity requires continuous effort and the development of strong individuals, preparing society to face future challenges with strength and resilience.
