

# Importance of Human Development

Chinese started to build great wall of China for living in peace. They had presumed because of its height no one invade on ~~us~~ them. However, country ~~enemy~~ were invaded three times after great wall. Enemy had never used to climb the wall for invasion, they just bribe engage gates guard with themselves and enter through gates. They had allocated resources to build ~~with~~ the wall rather than character of protectors. Similarly, building human character is more important because it leads start of everything. According to the writer, a nation has future who prioritize other than teachers and scientists.

Date: \_\_\_\_\_

1. The role of the courts in society is determined by the expectations of the public, the executive and the legislature of the courts.
2. The judicial self-perceptions of their role and public's expectations of the courts.
