Q#2

Title:

Human Values: As a  
landmark of dignity

Chinese, built The Great Wall of China for security purposes. They were invaded 3 times more because of the bribed guards. The Chinese had build the wall but couldnot build the character of wall guard. According to an orientalist, there are three ways to destroy the civilization of a nation: To destroy the family, education and demean role models.

If these lost their importance then no one will teach "Human Values". Scientists

and teachers sets the nation's  
fate... not entertainers.
