Narration

03/05

Sarah asked Mark if he had heard about the upcoming competitive exams and asked he has heard about the upcoming competitive exams. Mark affirmed that he had, and said that he has been thinking about whether he should take them or not. He further asked they were really that important. Sarah emphasized, and said that competitive exams played a crucial role in shaping their future. She also said that they not only test their knowledge but also their problem-solving skills, time management, and ability to handle pressure. Mark agreed, and said that he had never thought about it that way, and asked they were not too stressful. He told that he was worried about how he would perform under such pressure. Sarah said that it was natural to feel stressed, but thought of it as a challenge to overcome. She further explained that competitive exams pushed them to strive for excellence, and brought out the best in them, and she added that the sense of achievement they would feel after clearing them was unmatched.
