Q No 2

05/20

Topic title:- Importance of character building of a nation.

20 centuries ago, Chinese constructed the "great wall" owing to the protection against external aggression. They couldn't stop enemy despite investing too much resources, because their enemy used to bribe the guards to enter the gate. This was ^{due to} the lack of character building in Chinese civilization.

In words of an orientalist "Three things; including the family structure, the role models and the education system are destroyed, it will destroy motherhood, the teachers and philosophers of that nation, which is the need of today's generation". If all are exterminated then there will be no human values. ~~there~~. A nation which ^{prefers} ~~praises~~ its ^{entertainers} non-professional class ^{over} to professional can not prosper in future.

Q NO 3

Q1

Ans

The role of courts in society doesn't depend on only the judges the perception of their functions. It also concurrently depends on the expectation of the public, the executive and the legislature of courts. Therefore, there is gap among these entities over understanding of role of courts. There are differences of perception of judges, expectations of people and functions of court as well.

02

Q2

Ans:

The role of court is not static, it is changing and dynamic. The changes in this role can not only be determined by judiciary but political as well social institutions are also influencing the conditions and conceptions of the function of court.

01

Explain in your own words

Q3:

Ans

some of public criticisms might be the result of controversial cases, in which judgements of courts and comments made by judges might become public feelings and popular sentiments. However, such cases are one perpetually charged with emotional ideological and social elements in the eyes of public. Moreover, judges may be criticized for host of blamers, vices, failures and negative attributes.

01

Q:4

Ans

As per academics and professionals critically denigrate judiciary, as too unimaginative, not active, not creative, orthodox, conventional or conservative in law making function and its over-practiced judicial self restraints. Sometimes they bestow upon the judges and give them the titles like "socially reactions or the high priest of rigid star decisis and the limited role for judiciary".

02

Q5

?

Ans:

Agreeing to the author, the judges might become controversial due to their comments which go against popularity in public. However, there are other factors like judges might be under influence of other social or political institutions. At that juncture, people anticipate one thing but the jury decides as per the provisions of laws. In all all? such conditions might become the cause victim of huge criticism across public.
