Ans 1: Factors that determine the sole of the courts in society
asenot just the judges's perception of their function
but also people's enpaction of justice, and the justified
functioning of executive and legislature of the courts.
02 The role of the court in today's modern world is
in natistatic because society is constantly changing and
dynamic and similarly the people's expectations of
courts are solely based on justice. Hence, public opinion,
de le determine the
Level and hole of the courts and and all allow hat is
the judities as incommenced
Ans 2: As society is constantly in change, these dynamic
conditions and conceptions influence the sole of the
courts Because there is a division of opinion among
02 the judges on a single matter, and people have
different expectations and opinion on the role of a

Date judiciary. Thus, these changing conditions and other pointical and social institution influence the role of the courts Public will probably criticize the pidiciary if the Ans 3: judges will make insensitive and insame judgement. They would be criticized for making controversial remarks and judgements that will go against the popular public opinion These kind of cases are often charged with emotional, political, religious or social cloments which transform a simple case into a condroversial matter. Therefore, if the judiciary mon't make same judgements, they would be publically criticized. inter a three have noted by less Academic and professional critics typically describe Ans 4: judiciary as timed, conventional, unimaginative, not creative and conservative in its law making process. Although these critics restrain themselves for using harsh words, but they do think that the laws the judiciary is making are outdated. 03 They also bestow upon a judge the title of "socially reactionary". More over; they also compare a judge with a priest as the judges make outdated and conservative laws which aren't really applicable in this world. Thesepore, these professional critics describ the judiciary as unconventional. Certain milings will become controversial if they Ang:5 lack public sentiment, and same judgement, and the involvement of politics. For instance, Patristan er- Prime Minister Imran Khan's "Iddat case "This

Q#2 Contribution of Education in Character Building				
Despite building the Great Wall of China, Chinzese people				
were invaded three times. The invading army didn't climb				
the wall rather brided the guards. This leads to the fact				
that building a strong character is more important and				
necessary. An orientalist, said, if one wants to destroy the				
civilization of a nation, one needs to degrade motherhood,				
destroy the reputation of teachers, and belittle the contributions				
of scholars and scientists, so that students won't listen to their				
teachings. Therefore, a nation is doomed, if its scientists and				
A nation that prioritizes entertainers over scientists and educators is doomed to fail.
