

Q4

Explain the doctrine - - - -  
- life

Start with the introduction of the answer

**Akhrat**

By the term akhrat means doomsday which in Arab is called as Qayamah. meaning to after life. The concept of Akhrat means that each individual living in this life will be ~~rest resurrected~~ resurrected back to life and will be giving the accountability of his actions that he has done in his life either good or bad.

Each individual will be responsible for his own action. No one will be responsible for any others' actions.

**Al-Quran**

"Indeed, the non believers will be punished severely on doomsday"
