~~origin of Palestinian conflict~~

The conflict between Israel and Palestine instigated with demand of separate homeland by David Ben Gurion. Founder of Israel proclaimed as safe heaven for Jews. Israel claimed their own part. major territories of Palestine as which led to 9000 deaths and millions of Palestinians migrated from their land. They lamented Israel's creation as nayba or catastrophe. People living in GAZA, west bank, Jerusalem have been in constant state of wars and brutalities. Most of the countries ~~see~~ Israeli settlement and further annexation as illegal but Israel claimed of having Biblical ties to the land.

with Israel, if Israel recognized Palestine as separate state. Similarly UAE, Qatar also limited their relations with Israel. But over the time it can be seen that there is lack of consensus among Muslims related to Palestine issue. Muslims are less concerned about any ethnic, religious, or international conflicts and more concerned about their domestic policies. They have not forced Israel or imposed any sanction to save the people of Palestine.

there is no consensus

~~Response of OIC and Arab League.~~

Crown Prince Mohammed Bin Sultan has called for meeting of OIC and Arab League for immediate solution of Israel boudalities. OIC has passed resolution for the ceasefire ^{but} the outcomes of conference revealed no significant step taken by Muslim states. There was deep division among them. They failed to agree on punitive economic measures on Israel. over the time.

a- ~~Lack of consensus among muslim~~

~~states:~~

Some countries like Lebanon and ~~algeria~~ proposed for economic and disrupt oil supply. but other states like UAE, Bahrain rejected this proposal which highlighted the differences among muslims on Palestine issue. AS result, meetings of Arab leagues were limited to their denunciation of Israel aggression in Palestine.

e ~~Economic Power of Middle East:~~

Middle ~~east~~ is hub of oil reserves and centre of trade of world powers. They have the power to restrict the aggression using economic sanction.

a- ~~oil reserves of middle east~~

Most of the world economy is dependent on oil reserves of Middle East. 40% oil imports of American come from Middle East. American is largest weapon supplier of Israel. In 2021 when ~~KSA~~ reduced the supply of oil it led to major setbacks

in Israel and its allies have various and diverse economic interests. Allies of Israel had in what crimes and the support of Israel. but no such response from muslim Allies of Palestine they have vast trade with Israel.

The following arguments of major muslim states which prevent them from punitive measures.

a- ~~Economic interest of UAE~~

The United Arab Emirates has signed ~~Abraham Accord~~ in 2020 with Israel and formally initiated diplomatic relations with them. UAE has signed ~~Free trade agreement~~ with Israel in 2022 to boost the mutual trade. UAE is major exporter of oil to Israel. In ~~Palestine~~ conflict UAE has taken silent ~~stance~~ and rejected the proposal of Lebanon of ~~economic~~ sanctions of Israel. Most of elites do business in western states and dominated by western circle.

Jordan has strong economic relations with Israel. ~~Exports to Israel increased 48% from 2018 to 2022.~~ Due to economic interest Jordan always showed soft corner to Israel. The ~~Assad strike~~ in Israel in March 2024 of Iran outraged the Jordan. They supplied ~~Iran~~ weapons and ~~Iran~~ to Israel against Iran's attack and publicly condemned Iran's

~~C- economic ties of Turkey prevented it from practical step for Palestine.~~

Turkey was the first muslim state that has establish diplomatic relations with Tel Aviv and today Turkey is major trade partner of Israel and plays major role in boosting economy of Israel. ~~Although Turkish President has called for united support to Palestine. But on grounds, till now they have not taken any plausible initiative to support the innocents people of Palestine. Turkey is major exporter of iron steel, electrical appliances~~
