Q# 3

Some of the public criticisms have been instigated by controversial cases in which the judgments of the courts and comments made by judges were out of nature and out of tune with popular feelings or were intense insensitive to certain segments of the public. These cases are called emotional, ideological, social and political elements, which always transform a routine legal matter into a controversial case which lies in the eyes of a public storm and turns an

ordinary case into a household. <sup>was</sup>

Q#4

Usually the academic and Profession critics of the courts phrase their criticism in restrained terms. The Judiciary, they say, has been timid, unimaginative, not active, not creative, orthodox, conventional, or conservative in its law-making functions and that it has over-practised judicial self-restraint. Some time they

bestow upon the a Judge the title of "socially reactionary" or "the high priest of rigid state decision" and the limited role for the Judiciary<sup>s</sup> both titles conferred on Viscount Simonds.
