You have to write it in single paragraph form

Sarah asked the mark, did you hear about the upcoming competitive exams?

Mark replied her, yes I had heard about that and had been thinking for them, whether to take them or not. And he further said,

was that really important.

Sarah responded, Absolutely! The competitive exams played a crucial role in shaping our future as well as problem-solving skills, time management, and ability to handle pressure.

Mark replied, I had never thought about it, but did they not stressfull? and also worried about how I would perform under such pressure.

Kindly review the Narration rules

Sarah advised him, it's is natural to feel stressed. But, you had to think of as challenge to overcome. Competitive games pushed and strived us for excellence and and making out the best in us.

plus, the achievement you feel after doing them is unmatched.

Mom accepted it and replied. I guess they offered a great opportunities to showcase our abilities and stand out among our peers. He further replied, thank you has helped me to understand the importance of competitive events. Sarah I would give it my best shot.
