Punctuate the following passage

A fast train raced along the border of the biggest cattle ranch in Montana. A passenger gazed at the huge herds, and when the train finally passed the other boundary of the ranch, he turned to the man who was sitting beside him, and said, "What a huge herd of cattle!" I counted 13,750 head. The man was surprised, "That's amazing," he answered. "I own that ranch and you are exactly right. I have exactly 13,750 head of cattle. How were you able to count them so fast?" "It was easy, I just counted their legs and divided by four."
