

Question 03Comprehension Answers

09/20

(i)

These are various factors that determine the role of Courts in Society. These factors are public expectations, difference of opinion of people, role of political and social institutions, and to some extent the criticism

judges' perception of their function, the expectations of the public, the executive, and the legislature

against judges. All these factors stems from public side not from the side of Courts. These factors directly or indirectly influences the role of Courts.

Therefore, these the factors that originate from public side determine the role of Courts.

(ii)

The changing conditions and conceptions influence the role of courts by making it changing changeable and receiving the influence of social and political institutions. Due to this, the role of ^{courts} judiciary is not determined by judicial sector only rather political and social institutions also play an active part in it. For instance, the routine legal matter are converted into a controversial case due to a role of public. This here, the role of a court becomes changing in nature. It does not remain static. On the whole, the changing conditions converts the role of courts into a changeable position due to the influence of social and political institutions.

03

(iii)

There are various reasons for the criticism of judiciary. These factors include Controversial judgment of Court that does not align with the expectation of people and host of blames against judges. Moreover, vices, failures, and ^{negative} negative attributes of judges are also reasons for the criticism against ^{the} judiciary. To sum up, the controversial ruling and negative attributes of a judge cause the criticism against the judiciary.

(V)

The judicial ^{rulings} rulings become controversial because these rulings are charged with emotional, ideological, and political elements. When these type of rulings do not occur according to the feelings and expectation of people, the people began to criticise these type of rulings. Ultimately, these rulings become controversial. On the whole, rulings attached with certain factor become controversial.

Question 06

Dialogue into a paragraph

02/05

Answer

Sarah greeted Mark and asked about upcoming Competitive exams. Mark expressed his confusion regarding taking Competitive exams and inquired about their importance. Then Sarah explained the importance of these

Sarah emphatically stated that competitive exams are crucial for shaping their future, as they test not only knowledge but also problem-solving skills, time management, and the ability to handle pressure. Mark admitted he had never considered this perspective but expressed his concern about the stress and his performance under pressure. Sarah reassured him that feeling stressed is natural but encouraged him to view the exams as a challenge to overcome.

He nodded and revealed his problem to perform under pressure. Leaving the issue of Mark, Sarah motivated him and realized him the sense of achievement after clearing the exams. He accepted the motivation from her. Moreover, he thanked her and decided to perform well in the exams.
