Q7:

Translate the following into English.

When the Titanic sank, a millionaire John Jacob Easter IV was also on board. He had enough money in his bank accounts to build 30 Titanics. However, faced mortal danger, he made the choice he considered/believed to be morally good and left his space in the life boat to save the two frightened children.

Ester Estras, co-owner of US-China largest departmental stores, Messy's was also on the boat Titanic

said: I will never enter the life boat before other men. His wife, Eda Estras also refused to board the lifeboat, and giving her place

to her servant, Ellen Barb. She decided to spend the last moments of life with her husband. These rich people instead of compromising on ethical values preferred to separate from wealth even from their lives. In the favour of ethical values their decision highlights the glory of human civilization and human nature.

Q NO3:

(1)

Ans:

Patton was considered a controversial military figure because of his aggressive tactics and outspoken views. He believed that US had defeated the wrong enemy in World War II but they should have to attack straight on Moscow, because Soviet ^{was} were their bitter enemies.

(2)

According to Alan Axelrod, Patton believed that the Soviet posed a greater threat to American interest than Germany. He believed US should have to focused on defeating the Soviets rather than Nazi.

(3)

If Patton had captured Moscow then such a move would have been risky and difficult, it will lead to war and potentially prevented the cold war from ever happening.

(4)

Alan Axelrod Perspective has contrasting nature with the narrative of Michael Peck. Peck discusses the potential implications of a hypothetical scenario in which Patton had pushed all the way to Moscow.

(5)

Yes, there is a lesson which argues that Patton's willingness to think outside the box and challenge conventional wisdom is a valuable lesson for leaders in any field.
