relation with other countries.

Media has become an important part of society. However, the role of media differs from society to society.

Media in Pakistan has become the important pillar of state. Mass media is the key source of communication to access the huge majority of public.

Article 19 of Constitution of Pakistan (1973) also states that all citizens shall be given the right of freedom of speech and expression.

Media is an important instrument in contemporary world politics.

Political leaders in different parts of world address their public to get vote.

Media plays a crucial role in the emergence of political parties. Like social media is playing an important role.

in emergence of PTI leader Imran Khan.

Imran Khan gained interest of public ~~of~~ by media through face book, Twitter, Instagram and tik tok also.

Media has the ability to affect the elections through giving more or less coverage to specific candidates and parties. Since 2000 media is enjoying liberty to express the reality and facts about politics.

Recommendations

- 1 Media should play the role of gate keeper to protect the national interest.
- 2 Media should aware their role of protection.
- 3 Media should adopt more mature, objective and balanced policies.

Conclusion

In the absence of media a modern, aware, well-informed public and enlightened society would not be possible. In this global world, a state can not survive in isolation.

Media plays a vital role to highlight the public issues.

and in response government has to
be vigilant.
