Question No-06 (B) 02/05

Sarah asked John that which career he wanted to pursue after graduation. John replied that he was confused between finance and technology. Sarah said both options are great but what interested him toward finance? He replied that he loved analyzing and predicting market trends. Whereas on the other hand, technology offered unlimited opportunities. Sarah replied that yes technology is constantly evolving. You should combine your interests by working in financial technology. Sarah agreed, noting that it would allow him to leverage his skills in both areas. John expressed enthusiasm for the idea, stating that it was an amazing idea. He will look into that, thanking Sarah. Sarah reminded him to follow his passion.
