Besides, it has relation with the self contentment and humility. Owing to its good results, mostly people practice it to get inner satisfaction. Else, it halts the major or catastrophic wars in the world. As, it has been noticed that many wars are occurring due to the intolerance. Such as the Sudan war, Russia-Ukraine War, Israel-Hamas War etc. Moreover, it also fetch economic prosperity and increases the whole GDP growth rate. Having a giant economy, the country can boost its relations with the other countries. Owing to strong international relations the country can also boost its investments and bring

more & more foreign direct investments in the country. Some countries underestimate the tolerance of any country as Pakistan tolerates the persecutions of Indian or upon the Muslims of Kashmir but India thinks that it is the weakness of Pakistan. However, Pakistan can fight a war but it tolerates it just for the sake of humanity. Since, there are some factors which leads to intolerance that cannot be tolerated in any society. These factors are insulting someone, blasphemy, inequality, misappropriation, ethnocentrism etc. A peaceful society is very crucial for everyone and can be brought by

Tolerance refers to tolerate any wrong action or word by someone for the sake of maintaining peace in a society. However, it is given different definitions by different people some are of the point of view that it is practiced for the positive things while others say that it is practiced when any bad thing happens to you. As everyone can tolerate positive incidents but the tolerance is to abide persecutions and wrong comments. Since, this will boost personality in a society.

However, the perception of tolerance in the western countries is different from any Muslim or poor country. As, westerners believe that tolerance is the sign of weakness & lack of power. They do not practice it because they think that they have power to control anyone. Contrarily, everyone ~~that~~ knows ~~that~~ how they tolerated Hitler^{sp} to resist WWII. How the ^{then} Prime Minister of the United Kingdom appeared Hitler to halt the Second World War by giving him Sudetenland through the Munich agreement. So, it ~~indicates~~ ~~that~~ ~~tolerance~~ ~~is~~ ~~necessary~~ ~~to~~ ~~impede~~ ~~war~~ ~~or~~ ~~any~~ ~~other~~ ~~catastrophic~~ ~~so~~ ~~circumstances~~.

But the present ministers of the west did not show such tolerance.

In contrast to West, Islam always preach tolerance and the prophet Muhammad (P.B.U.H) always enjoined to be patient and steadfast. He himself was given persecutions by pagans of Makkah but he never practiced intolerance. He showed his mercy not only upon humans but also upon animals. Even pagans planned to kill prophet (P.B.U.H) but prophet did not fought and migrated to Madinah covertly. Later on, prophet (P.B.U.H) conquered Makkah but did not take revenge from them instead he forgave them who were involved in his beloved uncle's

murder. Islam always teaches tolerance and Allah hates the anarchist. Even the former prime minister of the UK Tony Blair said that the tolerance is the defining character of Islam. So, Islam never preached intolerance.

Since tolerance has lot of advantages and the most crucial advantage is the prosperity. By the virtue of tolerance, the peace of a country would be maintained and this would bring prosperity in that country. Moreover, it will fetch self contentment and humility. Those who are tolerant and patient always are imperturbable. As they

how?? Also the topic is not tolerance promotes peace or benefits of tolerance. The pocket says that the only way to peace is tolerance and nothing else. You need to argue why is it the only peace.

That's forgiveness not tolerance.

In addition to prosperity, self contentment, it brings peace of a country. Since it resist the major of dreadful wars in the world. It would help man to negotiate problems & issues rather ex than waging war or showing ^{so called} power. It motivates people to refrain from wars which are the major cause of human destruction, land annihilation. As, today, many countries are going the brunt of these wars and are the victims of war.

How does it brings peace? That is the topic.

On the account of peace of a t country, the other t countries would trade and boost its economy. It has been seen that countries always prefer to trade with those countries which are peaceful and war free. Resultantly the countries GDP growth rate increases and eventually, brings prosperity and progress of the country. It has been seen that those countries which are not involved in any war have sturdy economy such as China, the United States, the United Kingdom, and India etc. On the other hand those countries which are involved in wars and are intolerant are facing sanctions and

As, it beget the insecurity of a state. The misappropriation and lack of justice in any country lead to intolerance. Moreover, ethnocentrism, the underestimation of one's own culture or religion, is another cause of intolerance. The religious intolerance is now a days increasing due to the misguidance of the scholars, monks & pandits.

The aforementioned issues can be resolved and tolerance of a society can be bringer by equality, justice, honesty, accepting others as a citizen and respecting their religious ceremonies, creed etc. Moreover, the end of
