

ESSAY

The ambitious journey towards Gender Equality

Your rough work should be at the back. Your presentation needs to be formal. This compromises that. It is the planning process not the final draft. It is for your understanding. Doing this in front where it is visible to examiner can be highly detrimental to your essay.

It was assumed that Germany would win the Second War. Because of its might soldiers and advanced weapon. Despite this Germany lost in war. This was evidenced that when Germany restrict their women and not allowed outside work while Queen Elizabeth II work in automobile company to utilize their human potential. British won the war. While the progress of a nation depends on equal contribution of male and female. To provide equal rights in the sector of Education, Health, Justice and Politics will be helpful to achieving desired goals. Current situation of gender equality in Pakistan is worst. Women is almost half of the population. But they
