QNO: 8 Precise of the Following Passage.

Title: 05/20

The Discipline is an Aspect of Success.

Precis: "Discipline: Imposition or Essential Framework?"

One of the toughest problems of the citizens found is the discipline in the society as it is imposing rules on the people and restricting the way of conducting their lives. ~~or~~ Discipline is becoming hurdle in the freedom of choosing something in life of a person. But the writer says shows ~~the~~ citizens discipline is necessary in every aspect of life. and He says that if an athlete is completely free for his choices as he enjoys to be disciplined by

It is more than 1/3rd

controlling and managing his food and routine to be a good athlete of time. Like in education, in offices and many other institutes discipline is imposing to follow rules and regulations to take

General Instructions

Precis should be one 3rd of original passage

Your passage reflect the original idea

Don't take direct sentences from the passage

It is not the narration of the passage

Title should be self-defining and self-explanatory to the passage

Q NO: 9

Translate into English

There are many possibilities of the industries in a country to give produce employment for unemployed people. There is a need to shape education according to. Education should be shaped according to the need of industry and country so that people who complete their getting education become useful for the country. There should be focus on, technical and skilled in education and it should be given to those who ^{really} have capacity. The other people should get the training of Agriculture, Business or other art of education.

Translation

Attempt in idiomatic and proverbial manner

Focus on grammar please

Do not attempt word by word

So that, they ~~become~~ ^{don't} able to couldnot become burden on their families and on country. In fact, they can earn their own living. In this way issue of unemployment can be solved. to some extent

Journalism Vs Social Media. Who wins?

Journalism and Social Media both are the part of science a technology that ~~is portraying the mirrors to people and spreading the~~ news around the world. ^{write short sentences} But there is a slight difference between both ~~is~~ that journalism is broadcasting the information through proper channels or broadcasted by national, governmental/public and private domains. On the other hand, social media is running through any common person or by any journalist or public personalities who are covering news and sharing information in the world.

Journalism is ~~under control of their respective countries and broadcasters. In addition, they can be pressurized and are biased. While, Social Media is a free space for every person in this world who can share news and information more effectively with no partiality. Anyone can make videos or audios and post on the social applications. Even social media is a public platform for every type of voices relating to any type of race, community or any oppressed individual to the whole nation. Social media~~

^{avoid such supposition and generic supposition}

directly
not under control of any any organization.

It is the most reliable and fast moving media that shares everything in few seconds or minutes to few hours to the entire universe. Social media is not easy to politicize and cannot be pressurized.

one paragraph please

In today's era journalism can be is operated by some individuals who are specialized with it but social media is for every individual in this globe. So social media has the winning power than the journalism.

letter

Gulberg II,
Lahore.

XYZ

Date: 7th May, 2024.

Respected
Mayor,

Lahore

Subject: ~~In adequate waste management and~~
~~Sanitation in my area.~~

03

Dear Mayor,

I intend to seek your attention to an important issue which is getting worse day by day.

~~I am writing with a complaint about~~

the area where I am living that is the center and most developed area in Lahore, there is a lot of issues concerning to the citizens living in this area about their health and bad

environment with great pollution. There I am addressing the problem about the waste management that is not working properly due to no check and balance on the workers and there

I can see the limited number of workers and lack of tools and machinery given to the waste management. There is no proper and

adequate sanitation that can be fatal to the people of this area as they can become ill and specially in the time of monsoon which is nearby in few months can be hazardous to health and to move across the streets and roads of Gulberg area.

I am requesting to you to take proper measures to be a skillful employes of waste management institute.

Thank you for your time

Sincerely,
