Part - II

Q NO 2 : Preci s

In this age of nuclear forces and explosive nuclear weapons, it is useless to talk about total war. Deadly poisons produced by nuclear weapons have far reaching affect even for generations yet unborn. Today world is busy in buying billion dollars weapons to live peaceful life though these stockpile will only make destructions. But being peace wisher we can make change because these problems are man-made. We can do this by examining of our attitude firstly as an individual and then as a nation. By making our goals clear and prioritizing peace we can make change and change peoples attitude towards peace who thought it is useless to speak of world peace.

Title:

- ① Means of Peace in Nuclear Age
- ② Pursuit of Peace in Weaponary World

Q NO 3: Reading Comprehension

Answers:

- (1) Drought is a condition or time period when no rain falls for days or even for many weeks. It has many consequences such as rivers and streams dried up. It also results in the death of many animals as they do not get water for drinking. Drought also destroys crops.
- (2) Writer does not endorse the popular saying about the red sky. According to him these sayings are sometimes right but mostly wrong. If sayings like it were true, then there would be no need to develop weather science or meteorology. So, these sayings are not correct always.
- (3) Yes, weather forecasting is a science and it is called weather science or meteorology. In past times people forecasts by watching the flights of birds or the way smoke rose from a fire. But in modern times different instruments such as thermometer or barometer etc. are used to forecasts weather.

DATE ___/___/___

(4) It is really difficult to forecast the weather or trying to find out what it will be like in several days' time. This is because there are different things that affect the weather and it is very important to study those factors and things carefully to make an accurate forecast.

(5) Moon help the people in forecasting weather because they thought that the moon controlled ~~the~~ the weather because it held a lot of water, especially when as a crescent sickle-shaped moon it lay on its back. Even today there are people who think that the sight of moon lying on its back means that it is going to be raining soon.

Q NO 4: Correction

Part - B:

In the courtroom Judge asked Mr. Thompson that you are seeking compensation for wrongful termination. In response

Mr. Thompson said, yes, Your Honour. I believe I was unfairly dismissed.

Judge further investigate you were let go after eight months, correct?

Mr. Thompson replied yes. On this Judge said that under the law,

employees with less than a year are not eligible for relief unless there is evidence of discrimination or a specific rights violation and

DATE / /
can't grant relief. On this Mr. Thompson said that my rights were violated. He further asked there is nothing I can do? Judge said my hands are tied by the law. Mr. Thompson thanks judge and judge dismissed the case.

Q NO 7: Translation

A conflict arose in a recent book fair that held in Lahore because in that fair attention was on different stalls of food and other things rather than on books and literary activities. This ruined the actual purpose of book fair. Many participants felt bad about it and felt that it was more like a food market instead of book fair because ~~no~~ books, writers and literature got least attention. As food stalls became center of attention, it initiated a debate that whether this event was fulfilling its literary purpose or it was just to promote trading benefits.
