English Comprehension Test-2

Q1:- What is the difference between human beings' fear of death and children's fear of darkness?

The difference between human beings' fear of death and children's fear of darkness are when human heard about death of a person, they feel extreme physical and emotional pain internally. Whereas when children heard horrible stories, which is just imaginary but this imagination created fear of darkness in children's mind from childhood, are the main causes of fear.

Q2:- What is a religious and sacred view of death?

A religious and sacred view of death is when a person recognizes that death is either a punishment for sins or a way to enter ~~the~~ another world. This concept shows that it's a God's plan for us.

Q3:- What are the painful experiences described by the monks in their books?

The monks described the painful experiences in their books about how they put themselves to become physical pain, like self-torture, to purify themselves. The concepts of death make people very severely fear about death.

Q4:- ~~What are the views of Seneca about death?~~
What are the views of Seneca about death?

In the view of Seneca about death that the things which are happening around the dying person are just like the rituals and people's reaction, which are scarier than death itself.

Q5:- What are the facts that make death appear more horrible than it would be otherwise?

Death looks horrible because the things which are going around a dead person make a horrible scene like shaking, his pale face, crying of friends and family members and other rituals which are performed after death seem horrible.
