

## Peace In an Era of Weapon

It is very difficult to speak for peace in an era when many countries are tempting to acquire nuclear weapon. Unfortunately these stockpiles containing more potential to destroy as compared to those which ~~are~~ <sup>were</sup> used in world war 2<sup>nd</sup>. A billion of budget is used to develop such lethal nuclear weapon. These arsenal are too harmful even a trigger can cause of spread of proision and pandemic diseases through these weapons. To speak for peace in the era is the responsibility of every individual from every walk of life. Only to urge for disarmament is not only way forward. The leaders of such countries should reconsider whole scenario. A hope of peace should be dissiminated among the people.
