### Q.5. (A)

Punctuate the following passage:

A fly . . . . . may, not . . . . .

### Solution

A fly sat on one of the shafts of a cart, and said to the mule pulling it, "How slow you are. Do mend your face or I shall have to use my sting as a goad." The mule was not in the least disturbed. "Behind me in the cart," said he, "sits my master. He holds the reins and flicks me with his whip, and him I obey, but I don't want any of your impatience. I know when I may dawdle and when I may not."

### Q7

Translate the following expression

### Solution

Recently a controversy emerged during a book fair in Lahore, as instead of focusing on books and literary activities there were various stalls selling food and non-literary items which put the book

actual cause of the fair to  
the background. A number of  
attendees expressed disappointment,  
and felt that "book fair" has  
largely become food street where  
there is less space <sup>and attention</sup> ~~for~~ <sup>towards</sup> books,  
authors, and literary columns.  
During this fair, due to  
excessive emphasis on food stalls  
instead of book reading and  
selling, a debate emerged that  
whether this ceremony was  
fulfilling its literary purpose or  
just prioritising the

Q2

Make a précis :- ..... a suitable title  
Solution.

• Achieving Peace in War-Prone  
Nuclear World

The author advocates for peace due to increasing high stakes for humanity involved in wars after the invention of nuclear weapons. These weapons are being developed as a potent ~~deterrent~~ <sup>safeguard</sup> against any potential war. However, there are better ways to achieve peace.

According to author, it is inherent nature of humankind to want peace, but any individual efforts to achieve peace are discouraged by blaming the weaponization leaders of nations hostile to author's nation; and factors beyond an individual's control. But since wars are man-made issue, its solution

50

can also be achieved through collective effort of humans. Peace is not unachievable. If each human on individual level pitches for peace with a clear agenda, more and more people will also join in this cause due to inherent peaceful nature of human beings.
