" Essay "

" War is an invention of the human mind. The human mind can invent peace with justice "

(Norman Cousins)

War may sometimes be a necessary. but evil. no matter how necessary. It is always an evil, never a good. we will never learn how to live together in peaceful manner without killing others' love ones. It left with the horrible feeling to win a war is a disastrous as to take someone's life. Many of the countries go towards the war. as some

Suppers from the war. war is not just on international level but also on the global level and distroy everything. Those countries who suffers from war will face illeteracy, unstage relation with countries, disturbances of women rights, economy problems, inflation, poverty, External diseases. Countries go through war lost ~~the~~ their prosperity. and suffer many damages.

Firstly comes illiteracy. Education is always be very important in every Era of life. Those countries who are illiterate gain nothing for their country. New York, 31 January 2018 - Nearly 3 in 10 young people aged between 15 and 24 years old - 59 million living in countries affected by disaster are illiterate, triple the global rate (UNICEF Report)
No. country would developed

without education. In 2016, a train station in a remote Japanese village was scheduled to close permanently, however, when they noticed a single student using it to commute to school, they decided to keep it open until she graduated. It shows the importance of education for everyone. By Nelson Mandela. "Education is the most powerful weapon which you can use to change the world."

Secondly comes the unstable relation with other countries. If the relationship is not good or friendly with the other countries has to suffer many problems. As Russia and Ukraine war, 5 December 2022, countries within European Union will no longer import crude oil from Russia 5 February 2023. Stopped import

Petroleum products, such as diesel kerosene from Russia. All of these because to destroy their Russia economy and they has less money coming into fund the war in Ukraine. Not only economy but also lost love ones life is precious. By John Piper. Life is precious, Don't presume you will have it tomorrow, and don't waste it today.

Thirdly come the lack of women right in war. They has to bear many violation, anxiety and depression. In Israel, 7 october, attack killed some 1,200 people including women and 337 children. UN women face sexual violence during those attacks, and In addition including approximately 65 women, were abducted. The world is facing the highest number of conflicts since world war II from Ukraine to sudan to Gaza
