## Q1: **Precis: Title: "War is Euitable"**

The new war will coming as it is necessary to speak about the peace now. These

~~are~~ <sup>were</sup> many wars that held in the past.

No war can <sup>ever</sup> resolve a single dispute.

Although, the technology is updated.

and now a single nuclear weapon can destroy the same thing as that

of the ten-times of the explosive

forces did in Second world war. Every

country want to secure his peace

and for that it spends billion of

dollars for this purpose and these

things are not enough to for <sup>bring</sup> keeping

peace in the country. we have to

start from us firstly. Some of us

just say that it is impossible to

stop a war, and to bring peace in

the country. It is impossible until we

will start ~~ing~~ examine our self, our

attitude as an individual. Our politi-

cians also need to have a pleasant attitude

Every citizen of a nation has to be responsible for bring a peace in the society. we should examine our own attitude towards nation. Many of us think that war cannot be stop and peace will never came. it is a wrong and harmful perception. By focusing on our goal and we can brought a change in the mindset of such people and reverse it.
