Q-2

A Strategy of Peace

Speaker emphasized on peace where total war makes not sense in the current Nuclear age. If war broke out it will be out of control so they needed not spend Billion of dollars on weapon. Many people believed that it is useless to talk about peace and disarmament. It is useless until leaders of Nations think us as enemy. Instead, individuals and nations must re-examine their attitude towards peace. The speaker urged people to look inward, redefine their goal, and work toward peace making. Human made problems can be solved through grit.
