### Precis Test - 3

Being a social animal a human being can't live alone. He needs continuous help from others either to fulfill his basic necessities of life or to get his livelihood. Similarly, a child need parents for his care while a teacher to educate him. To obtain rights and properties a person needs rules and regulation made by others. Like wise companions are an important part of a person's life.

#### Title:

① A Man Cannot live in Isolation.

② Human Being: A Social Animal
