Title: Peace Efforts

The author presents peace as a solution to new fear of war. Great powers acquire nuclear weapons of mass destruction. The usage of nuclear weapons disrupt the ecosystem and pose health problems for mankind. Acquisition of these weapons require ~~billions~~ ^{billions} of dollars to maintain deterrence for peace. But this is not the only solution to maintain peace. It is easier to achieve than war. To some people it is useless to talk about world peace. However, it is the individual responsibility to mend their attitudes towards peace besides the leaders. Any individual who wish for peace should start from himself. This is the basic step to achieve peace. Some people perceive it as impractical and incorrect; ~~it~~ is a dangerous belief.

War is not bound to happen. The strategic definition and practical goals need to be set. By following these goal peace is possible.
