Peace and War

As per the author, peace is preferable than war. In Second World War when deadly poison produced by a nuclear exchange badly affected the world. Nowadays, billions of dollars are spending on weapons for ensuring and keeping the world peaceful. He feels that struggle for ensuring peace is less hard than war. Some people say that struggling for peace is useless until the world leaders do not turn their attitude towards peace. People who wanted peace should re-examine their attitude as individual as well as national level. Many people think peace is impossible, unreal and dangerous defeated belief. The war is unavoidable and man are gripped by forces and cannot control. But, the war is human made problem and not occur itself without contribution of human.
