Being completely dissatisfied with painting
it was hidden in the closet

Q: No 5

(A)

A fly sat on one of the shafts of a cart,
and said to the mule, who was pulling it.

How slow you are? Do mend your pace or
or I shall have to use my sting as a goad.
The mule was not in the least disturbed
behind me. In the cart said, he sits my master,
He hold the reins, and flicks me with his
whip, and him. I obey, but I don't want
any of your impertinence. I know, when I may
dandle, and when I may not.

(B)

Q No 3

Passage

(i)

Drought is a situation, when no rain fell for weeks on end, streams, rivers, and other water resources are dried up, animals die from thirst, and crops were ruined. It leads to the loss for farmers.

(ii)

Weather forecasting is a science, which is called as meteorology. In which meteorologists figure out or inform the public about the incoming situation of forecast. So, that public, and governments make plan accordingly.

(iv)

Forecasting weather is a difficult task because, there is multiple, and difficult things affect the weather. And all those things need to be studied carefully before forecasting the weather.

(v)

In ancient times, when no instrument was there, people use different method like moon to forecast weather. They thought moon control the weather, and its back is symbol of rain, because it hold water.

(ii)

Writers did not support or endorse popular saying about red sky. In writer's point of view, if these popular sayings are considered to be true, then there is no need for any scientific approach or science.

Q No 7

In a recent event of book fair in Lahore, a controversy starts, because instead of focusing on books, and literature, there was multiple stall of food items, where unhealthy food items were being sold, which doxmant the actual objective of book fair. Many visitors shown their disappointment, and felt that, this is a food bazar rather than a book fair in which little space was specified for books, authors, and literaturer. Instead of focusing on food items, there must be focus on books, and study relevant things, another debate started that either this event was for literature objectives, or for a trade event where profit is the concern

Q No 2

Title : Rational end of Rational men

Writers speak of peace, and against the war, as ~~of~~ power balance is badly shaken by new age. Further criticised, that when expansion of nuclear arsenal, and poisonous effects destruct, and destroy the world peace, and environment at every stage. Billion dollars expenditures on these weapons never assure world peace. These things are not essential to maintain peace, we should shaken these idols. Writers point out the attitude of individuals, and nations. Writers suggest, if we want to keep peace than every individual and nation re-examine their attitude. By doing so, we can achieve peace, which is impossible by gaining more and more weapons. Our attitude towards peace must be focused and goal oriented. We can defeat the war phenomenon, and create a peaceful environment which looks impossible, but hope attitude can lead us to peaceful world.

Q No 6

(A)

Taut It leads to taut

Taught David taught us about environment

Palate

Palette The palette of white rose is beautiful

Faint This colour is getting faint

Feint There is no need for feint.

Wreak This becomes wreaks

wreak

Peal

Peel His face is peeling today.
