

English Precis and Composition

Question # 05.

A fly sat on one of the shafts of a cart, and said to the mule, who was pulling it, "How slow you are! Do you mind your pace or I shall have to use my sting as a goad." The mule was not in the least disturbed. Behind me in the cart said, "He sits, my master, he holds the reins and flicks me with his whip, and him I obey, but I don't want any of your impertinence. I know when I may dawdle and when I may not."

Question #06

→ Part B:

Judge asked Mr. Thompson that he was seeking compensation for wrongful termination. Plaintiff replied to Judge that he believe he had unfairly dismissed. Judge ^{exclaimed with surprise} by asking a question from Plaintiff and said that he had let ^{it} go after eight months. Plaintiff replied with Yes. The judge said further that under the law, employees with less than a year were not eligible for relief unless there was evidence of discrimination or a specific rights violation. Moreover, Plaintiff replied to the Judge that he felt that his rights had violated. Judge replied him and said that he understood, but without those grounds, he could not grant relief. Plaintiff asked ^{from Judge} question, was there nothing he could do. The Judge answered him that his hands were tied by the law. Plaintiff exclaimed with respect by thanking the Judge, and he understood. The Judge further uttered that the case had dismissed.

Q#1 Translation

Recently, in Lahore book fairs a conflict arose. Instead of focusing on book stalls, there were other food stalls and ~~other~~ stalls of other items which were being sold. The real purpose of the fair was completely altered. Many participants got dissatisfied, and felt that the book fair had turned into a food market where there was little space for books, writers, and literary works. They were given less attention. ~~...~~ Instead of giving attention to books and piece of literature, they were stressing upon much focus on to the food stalls. A sudden debate started that was the event fulfilling its purpose or giving attention to promote trade business?

Q#03 Comprehension Passage.

Ans 1

Drought is a weather condition when there is scarcity of rain which results in the drying of lakes and streams, the livestock dies from thirst and crops become ruined.

Ans 2

No, the writer does not endorse it. He said if the weather was predicted with the help of the red sky as for instance, if it is seen in the night time, it was a happy moment for shepherds while in the morning time, it provided cautionary situation. Therefore, if the red sky could really

DATE: ___/___/___

predict the weather then there would not be any need of weather science or meteorology.

③ Yes, weather forecasting is a science, it require scientific tools in order to predict future forecasts like barometer and thermometer. However, the method of forecasting is know as weather science or meteorology.

④ Forecasting the weather is very hard. Because, sometimes it's one type of weather, and other times, it's different. Therefore, a proper method of forecasting is required in order to study future weather patterns.

⑤ Some people saw the shape of the moon if in the crescent-sickle shape that would help them to find the weather. This is because if the moon was in crescent shape, the water got risen up and that could let them know that the rain is on its way.
