

English precis Test-3

Name: Arman Ali

Batch: 367

LMS ID: 34003

Title: Necessity of Human connection

From birth, humans cannot survive alone and depend on others for basic needs like food, shelter, and clothing. As we grow, we rely on parents, teachers, and past generations for guidance, education, and laws that protect our rights. Emotional support from friends is also crucial, highlighting the essential role of human connection throughout life.
