

QUESTION: 02 PRECIS

TOPIC:

New Face Of War And Pursuit Of Peace

According to author war in today's era is illogical because great powers have nuclear forces. They spend billion of dollars on weapon purchase on the name of Peace.

Author wants peace ~~for which~~ according to him quest for peace is difficult because great power will not listen it and it is of no use to speak about world peace unless leaders of the world have progressive mindset about peace. Moreover for achieving peace one should assess his inner self. Although some believe that it is not possible. Conclusively war can not be avoided as man has surrounded his self with uncontrable forces. But peace can be achieved by setting a defined objectives, that people could easily follow without getting distracted.

Total Words = 112
