Eng Precis and Composition

Que-02:

Precis

The most underrated Peace is  
The need of The time.

with the growing world's conditions where explosive nuclear weapons keeps on increasing as a source/symbol of power. Any sort of war with such explosive and advance matter would be serious threat to <sup>not only</sup> peace but also to <sup>our</sup> future and generations. There is a need of time where everyone needs to understand their responsibilities towards ensuring peace. It is not just associated with hostile nations and their decisions. Being an individual and part of nation engaging into self-examination, being thoughtful of possibilities and stepping into the opportunities of bringing peace is our responsibility. Being sensitized with the impracticability of peace would not be effective. So, fulfilling <sup>individual's</sup> responsibilities by helping others towards peaceful means and

and promoting peace through national means would bring make a world a better place to live.
