## Question # 02.

Make a Precise of the following Passage and suggested a suitable title.

To Maintain Peace: Need to Change Human Attitude

The writer is telling about the new face of war, that directly affects on the peace and stability of the country. Now a days, war is not a solution of all problems. At that time, ~~when~~ nuclear countries purchasing nuclear weapon to defend their countries. They do not want to surrenders for peace. Nuclear weapon are more dangerous than traditionally used weapon. They considered, nuclear weapon are necessary

to maintain peace in the world. So, the writer adopt a rational approach. He considered that peace is significant to grow nationally and internationally. But some people understand that it is a dramatic situation. There is no need to talk about the world peace. The writer is hopeful about the situation. So, there is a need to be change their attitude on individual and national level to maintain peace. <sup>Most of the</sup> Problems are man-made. It is not right approach that it cannot be solved. <sup>always</sup> Problems have solutions. So, there is need to be dopt practical approach to maintain peace in the national and international level.

Total = 300

= 150

## Question # 03

Read the following Passage Carefully and answer the question that follows.

### Questions:

i- What are drought and what are its consequences?

Drought is defined as; when there is no rain fall for days and weeks. It has adverse consequences on man and livestock. Due to drought, streams, rivers dried up. There is not water to quench the thirst of cattle. Gradually, crops are dried. So drought have dangerous affects on the life of individual and animals.

ii. Does the writer endorse the popular saying about the red sky?

No, the writer does not agree the saying about red sky.

Because complete red sky <sup>in the morning</sup> represents the shepherd's delight. But if the sky is red at night, it represents the warning of shepherd. So, the writer says, there is number of saying. If red sky and other saying are correct, so there will be no need of meteorology. So writer disagree the saying and in favour of meteorology.

iii- Is weather forecasting a science; if so, what is it called?

Weather forecasting is a science; in which a man predicts the condition of weather in next coming days. So, it is called meteorology.

iv- Why is it not easy to forecast the weather?

Forecasting the weather is not an easy task because there is number of factors that affects on it. Such as, tell-tale signs, old saying about weather, the

Position of crescent of moon. So there is need to be studying carefully about forecasting the weather. It is necessary to make accurate forecast to predict the condition of weather.

**V- How would the moon help the people in forecasting weather?**

The people made a forecast according to the crescent sickle-shaped of moon. If the sight of moon lies the back, then it predicts the rain on its way. So people predict the weather according the shape of moon.

Case had dismissed

## Question #7

Recently, there was a debate started in the book fair of Lahore. Because there were several stalls and people <sup>did not</sup> pay attention to the books and literary activities. In the stalls, there were selling food items and non-literary items. So these activities forgot the real aim of the book fair. Most of the participants showed disappointment and felt that mostly book fair had become the market of food and in which there was no more place for books, authors and literary dialogue. Due to the more attention to the stalls of food in the fair, instead of study and books are selling, There was a debate that whether this ceremony <sup>was</sup> fulfilling the literary purpose or just prioritize the economic purpose.
