Q.2 Precis

The author talk about the peace and said it make no sense because of great nuclear destruction. More, because of nuclear exchange the poisons produce impacts on the generation after generation. Now a days, billion of dollars spend on weapons to make it.

The weapons destroy things not create.

Some said that it is useless to talk about peace until the leader want peace.

But author thought to create was the individual responsibility. The peace not be impossible and war not be destructive.

But it is the individual responsible to draw hope and move towards it.

Title: Peace and war

peace and war: consequences
