

Speak for peace against the war

The author emphasized the catastrophe situation of a war. In nuclear war contains poisonous gases that affects wind, soil, seed, and generation of mankind.

Author insists to keep maintain peace and speak for it. To spend billion of dollars on weapons is not a strategic approach to maintain peace. Some of the people

says that to speak of world peace will useless until the leaders of the world adopt this. So, the writer

says everyone should make hope and re-examines their own attitude and ^{should} ^{on} work it as an individual

of a nation. Instead of avoid to be a part of peace maker and peace speaker, every individual can help other people to draw hope of peace and speak for it.
