

Question # 03.

(1) What is drought and what are its consequences?

Drought is a dry period which occurs when no rain fell for weeks on end, streams and rivers dried up, cattle died from thirst and crops ~~was~~ are ruined.

(ii) Does the writer endorse the popular sayings about the red sky?

According to the writer it's sometimes right but more often wrong. If this and hundreds of other sayings like red sky are true, there will be no need for weather science or meteorology.

(iii) Is weather forecasting a science; if so, what is it called?

Yes weather forecasting is a science it is called as meteorology. Meteorologists forecast the weather or try to find out what it will be like in several days' time.

(iv) Why is it not easy to forecast the weather?

Weather forecasting is not an easy task or business because many different things affect the weather at a time, and each one has to be carefully studied before meteorologists can make even a fairly accurate forecast.

v. How would the moon help the people

How would the moon help the people in forecasting weather?

In early times, when there were no instruments, such as the thermometer or barometer, man looked for tell-tale signs in the sky. Even today there are people who think that the sight of moon lying on its back means that the rain is on its way. It is sometimes right but more often wrong. If this and hundreds of others sayings are true, there would be no need for weather science or meteorology.

All of a sudden, we heard a strange sound, when we were walking along the woods.

Question No 06 (B)

Judge asked Mr. Thompson that he is seeking compensation for wrongful termination. He replied as Yes and he believes he was unfairly dismissed. Judge asked plaintiff that ^{whether} he was let go after eight months. He accepted. Judge said that under the law employees with less than a year were not eligible for relief unless there was an evidence of discrimination or a specific rights violation. Plaintiff ^{reclaimedly} replied that he felt his rights were violated. Judge said that he understand but without those grounds, he could not grant relief. Plaintiff sadly asked there was nothing he could do. Judge replied that his hands were tied by the law. Plaintiff (Mr. Thompson) thanked the Judge and said I understand. Judge said that the case dismissed.

Question No 7

Translation:

Recently, a dispute aroused in a book festival in Lahore, because there were many stalls presented where things irrelevant to literature and eating and drinking products were selling instead of paying attention to books and literacy activities. Which suppressed the real purpose of the festival.

Many of the participants got disappointed and felt that "Book Festival" had converted into a Food Festival, in which less attention was paid to books, authors and literary dialogues. A controversy started due to paying too much attention to food stalls instead of (paying attention to promoting literature and book selling). In the festival, instead of promoting literature and book selling a controversy started due to paying too much attention to food stalls. (Moreover, whether) Whether the festival was fulfilling its literary purpose or was merely emphasizing on its trading purposes.

Question No. 02

"A conflict Between War and Peace"

We are in the age of nuclearization. Everyone desire to be a great nuclear power to maintain peace. A lot of money is spent every year in order to make these nuclear weapons unactive. We should work on grass root level to maintain peace. We should be more (realistic) realistic, more clear in achieving our goals.
