

Q2 Preci

The Urgency of Peace

The speaker advocate for peace in a world whose total war is rotational due to the existence of powerful nuclear weapon. They emphasize that the destructive capacity of a singular nuclear weapon far exceed that of all Allied air force during world war II, and the consequence of nuclear conflict should effect generations. acknowledge the financial investment in nuclear arsenal as mean to maintain peace, The speaker argue that this is not the most effective approach, war is not inevitable.

By fostering a hopeful vision of peace, society can move toward it collectively, rather than resigning to default belief about war.
